Sub: Regularisation of credit of EPF contribution (both employee and employer) for the month of Sep'15 & May'16 for the DIRECT RECRUITED JTOs under the O/o the DGM(Mtce), ETR Kolkata

Dear Sir,

With kind reference to the above subject, it is quite unfortunate to mention that neither the EPF amount which was deducted from the salary of 75 DR JTOs presently working under DGM(Mtce), in the month of September 2015 and May 2016 nor the contribution of the Employer, has been credited to their EPF account till date.

In this regard, this is very much relevant to mention that the contribution as well as the interest for the month of September 2015 was not reflected in the balance sheet for the financial year 2015-16 for all the said executives.

The executives met several times with the concerned Accounts officers and pursued for regularization of EPF credit. But it is observed that no fruitful measures has been taken yet to make the employee and employer contribution credited to their respective EPF account. Even for last 2 months i.e July 16 & Aug'16, the contribution as also the interest was not credited as per the EPFO e-passbook and it has enough reasons to suspect that the contribution for these two months may also be missed and unless this problem is sorted out immediately, this may turn into a regular practice of missing contribution.

Now it is becoming a big question that to whom the accountability will be imposed for losing the interest of the contributed amount made by employee as well as employer.

You are requested to intervene personally to sort out the problem as early as possible so that regular update of the contribution will be reflected in e-passbook of EPFO.

Thanking you,

Yours sincerely,

(Tapash Ghosh)
